

CLC Financial Assistance

Although tuition at the College of Lake County has been set as low as possible, the new community college has also announced programs for financial assistance that will be available to students attending CLC. Dr. Russell Boyer, Dean of Student Services, points out the assistance program will make it possible for many students to attend the college who might otherwise find it financially impractical.

Dr. Boyer's office will administer three federally-sponsored programs approved by the College Board late last year. These are the Educational Opportunity Grants program, College Work-Study, and National Defense Student Loan, for which the Board approved an appropriation of \$15,000 as a base for loans to stu-

dents seeking aid. "Each of the programs offers a method of financial assistance to students in a different form. By utilizing the various programs, we feel no student will be turned away because of lack of funds," Dr. Boyer said.

The Educational Opportunity Grants were established by Title IV, Part A, of the Higher Education Act of 1965, and is designed to provide funds for students of exceptional financial need, who, without assistance would be unable to enter or remain in institutions of higher education. Dr. Boyer explained these grants are available to eligible students through colleges participating in the program, as CLC is doing.

Under the College Work-Study Program, a student may be pro-

vided with part-time employment to subsidize his education at the College. Federal grants are made to colleges to enable them to create job opportunities for eligible students, either on campus or with other non-profit organizations.

Dr. Boyer explained that students needing financial assistance and qualifying for the Work-Study Program can be assisted upon enrollment. He said these students will be given jobs both for the college and through outside sources, the main stipulation being that they must be functions "in the public interest and in non-profit organizations."

Using this form of assistance, a student could be placed in a job with a hospital. If his wage were

Village Board Resets Meetings, Monday Now

The Antioch Village Board of Trustees has switched meeting days again.

Now the board is going to meet on Monday nights at 8 p.m. instead of Wednesday as voted at the last meeting in April.

The sequence of the meetings will still be the same, every first and third Monday, it was decided at last Wednesday's meeting, the first and last to be held on that day of the week.

In last week's meeting, the board decided to put the old police station and jail at 8755 Main St. up for sale and use the money to help finance expansion of the new village hall and police station.

Mayor Ray Toft had said at the April meeting that he had been informed there was a buyer for the old building but the sale had to be put up for bids.

A special committee was also formed to see if the village can get federal housing for the elderly.

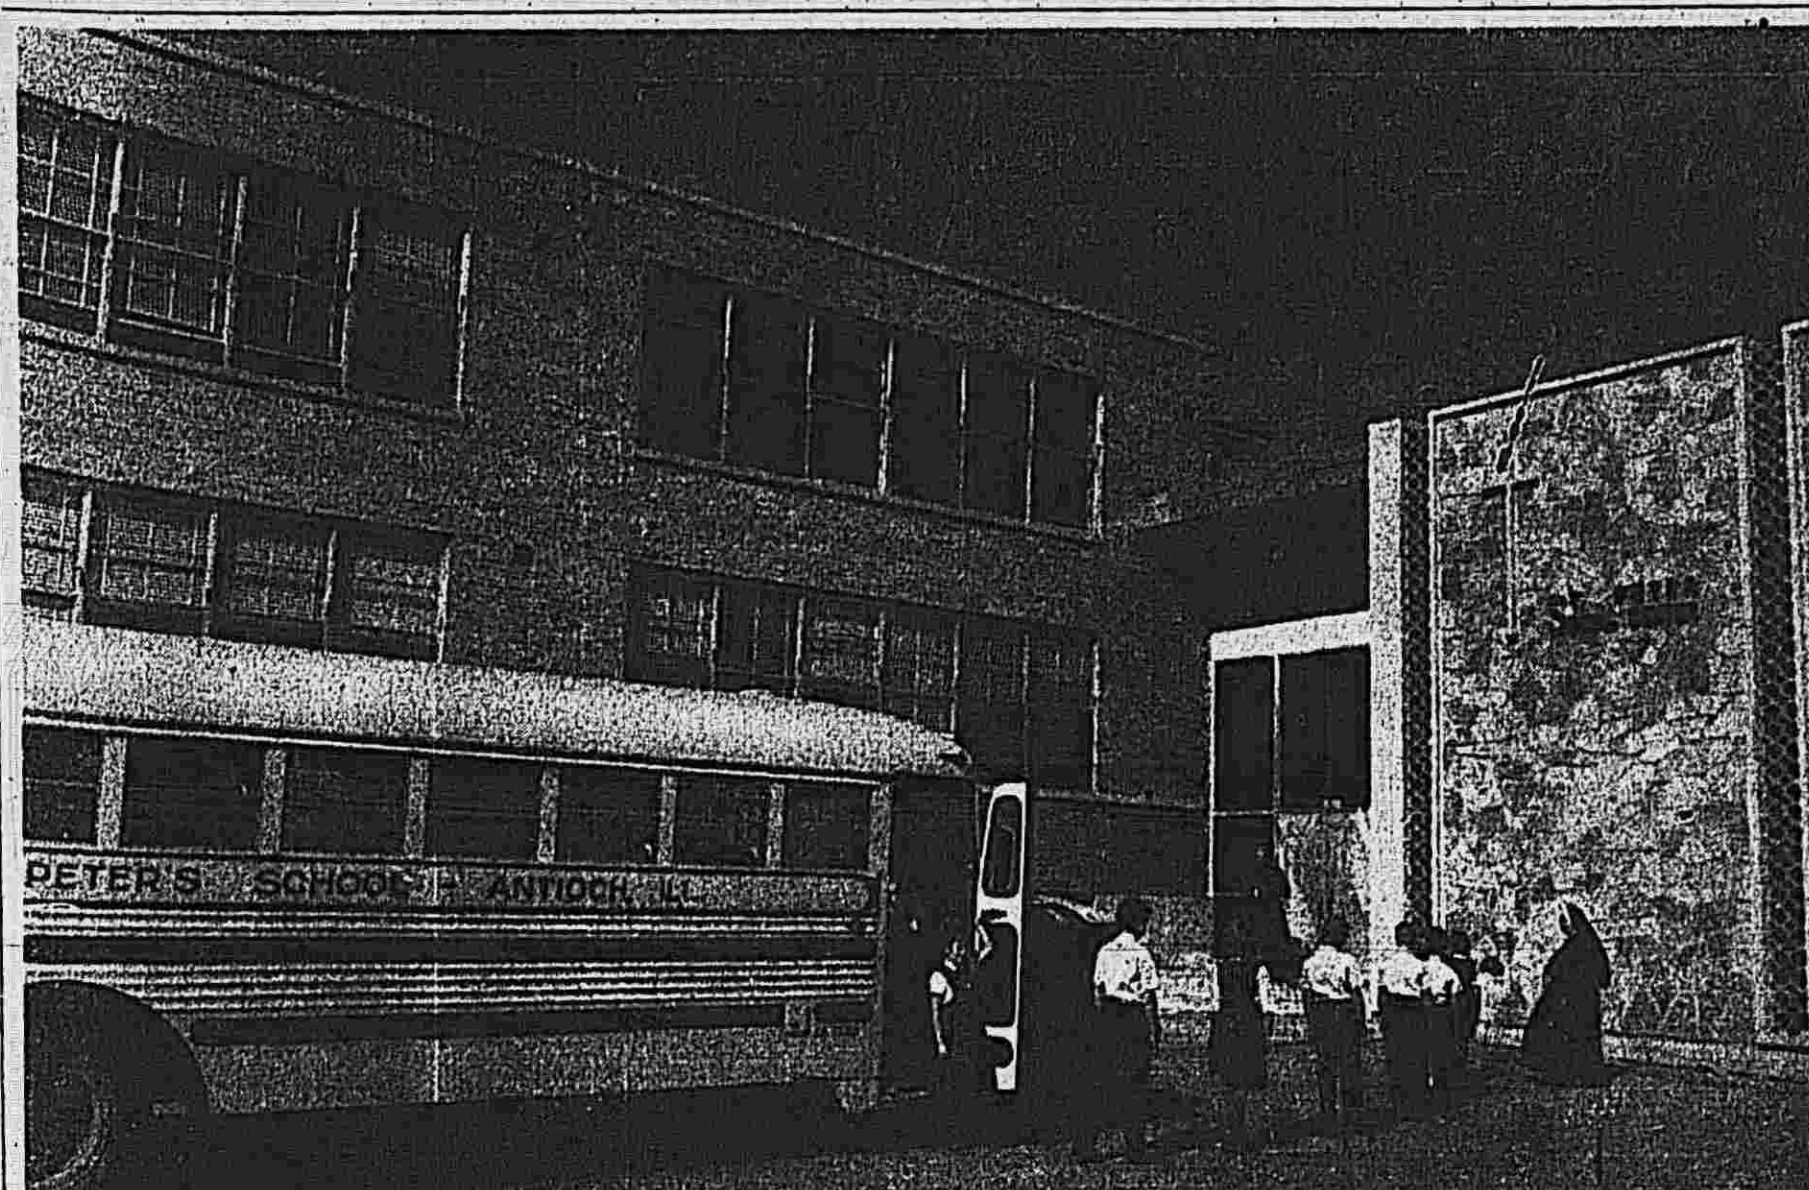

The board said it would like to have a 100-unit home constructed in the village.

The project was originally brought to the attention of the board by John Horan of the Antioch AARP.

Property at 413 Orchard St. was rezoned at the meeting from business to multiple family to allow apartment construction on the site.

The Board of Trustees also voted to hire the accounting firm of Norman Jeddle to audit the village books. The fee will be \$1,350.

Left turn signals will also be installed on the new signal lights at Main Street and Lake Street the board decided. An engineering firm has been hired.

Pupils at St. Peter's School, in Antioch, alight from the bus that is taking them to their classes at the school which begins its 21st year next September.

Seventy-Six Make High Honor Roll In Antioch

Seventy-six Antioch High School students were listed on the High Honor Roll (no grade lower than a "B") during the fifth six-weeks period.

Fifteen students were listed as having attained an all "A" academic standing for the period.

In addition another 135 students maintained a high enough average to make the Honor Roll.

An asterisk will identify those students who earned a straight "A".

McClory Appoints 2 Youths

Congressman Robert McClory (R-Ill.) today announced the appointment of two 12th District youths to the United States Naval Academy at Annapolis, Maryland. Telegrams of congratulation were sent from the Washington office of the Congressman to John C. Japuntich of Waukegan and Robert W. Martin of Lake Villa, who will begin their education and training at the Academy on June 30, 1969.

John is the son of Mr. and Mrs. John S. Japuntich, 227 Stewart Ave., Waukegan, and grandson of former Chief of Police Christian J. Effert of Lake Bluff. He is a senior at Waukegan Township High School where he is a member of the German Club and Crossed Sabers, and a second lieutenant in the ROTC. His athletic participation has been on

Library Board Now Accepting Memorials

The construction of the new Antioch Township Library has now progressed to the point where the board is now concentrating on the purchase of furniture, fixtures and equipment.

Anyone interested in giving memorials which will be used in the purchase of these items may contact any member of the board or Miss Betty Lu Williams, librarian.

Cancer Drive Hits \$723 For Antioch

Mrs. William Brook, Chairman of the American Cancer Society Residential Crusade in Antioch is happy to announce that \$723.25 has been received to date.

This is 90 per cent of the goal of \$800.00. Lake County to date has \$52,000 which is 57 per cent of its goal of \$90,000.00.

Depke Will Receive Annual Pay

The chairman of the Lake County Liquor Commission, Robert Depke, who is also chairman of the County Board of Supervisors, will receive an annual salary from now on instead of being paid on a per diem basis.

After some discussion at the Board's May 6 meeting, members voted unanimously to set the salary at \$15,000 per annum. This is about \$500 more than the liquor commission has been receiving under the old \$45 per day plus mileage schedule.

There is no salary attached to the position of Board chairman. It is only through the liquor commission that compensation could be made to the man elected to fill the full-time position of County Board chairman.

Other members of the commission will continue to be paid per diem on those days when meetings are called.

Newly appointed at Tuesday's session were: Lloyd E. Murrie, LeRoy E. Fritz, Kenneth A. Henke, and Ronald R. Coles.

Con-Con Bill Signed

Gov. Richard B. Ogilvie signed Senate Bill 193, the Constitutional Convention bill, which states that the convention will convene Dec. 8, 1969, in Springfield.

The new law provides for a primary election to be held Sept. 23, 1969, and a general election Nov. 18, at which time two members will be elected from each Senatorial district.

The election will be conducted on a nonpartisan basis and no political party designation is to appear on the ballot. The bill sets out a procedure for the convention and appropriates \$2,880,000 for salaries and for ordinary and contingent expenses.

The bill takes effect immediately and will be repealed by June 30, 1971.

St. Peter's Sees 21st Year

St. Peter's School in Antioch is not going to shut its doors but is going to continue on and will celebrate its 21st year in the community in September.

Despite rumors to the contrary, the St. Peter's Board of Education, which began its second year of operation on May 8, is confident that with the onset of the school's 21st year in September,

Board President Dr. Albert A. Bucar presented the retiring secretary, Joanne Dugenske with a certificate of appreciation for her service during the past year.

A reorganization of the board resulted in the election of Dr. Bucar as president, Quadenfeld as vice president, and Shirley Gutowski as secretary-treasurer. The board announced that another classroom will be added by September to meet the school's rising enrollment. The addition

will bring the classroom total to 13, with an average of 30 or less students per room.

St. Peter's offers a broad range of educational incentives, and has a central library, an extensive film program and classroom television.

The standard curriculum is augmented by physical education, music, art and remedial reading programs.

State Bank To Give Out Lincoln Medallion

William E. Brook, president of the State Bank of Antioch, announced today that the State Bank of Antioch, along with more than one thousand Illinois, Indiana and Kentucky Banks and Savings and Loan Associations will begin distributing the official Lincoln Heritage Trail commemorative medallion.

The financial institutions of the three states, in this manner, join the efforts of the Lincoln Heritage Trail Foundation in encouraging travel on the "Trail" and the perpetuation of the historic shrines in the area.

The dollar-size pieces have been issued in two metals, solid silver and bronze. Each silver medallion is serially numbered on the edge up to the 10,000 issued. They will sell for \$10 each. The bronze medallions are priced at \$1.00 each.

Proceeds from the sales of the medallions will be shared by the Foundation and a representative historical committee from each county. The banks' and savings and loans participating are donating their time and facilities and performing this public service on a completely non-profit basis and are the sole distributors of the medallions.

Both the bronze and silver medallions are expected to become collector's items. They are of the same size and design. One side displays the Lincoln Heritage Emblem while the obverse depicts Lincoln on horseback with a log cabin in the background. Models for the medallions were executed by the well-known medalist, Trygve Rovelstad of Elgin, Illinois.

The Lincoln Heritage Trail Foundation is a non-profit corporation. (Continued on page two)

Vandals Hit 8 Boats

Vandals broke into eight boats stored at the Sequoit Harbor, Rte. 173, west of Antioch Sunday and took five gas tanks, several fire extinguishers and a stern light, the sheriff's office reported.

Owners of the boats looted included Leonard O'Grady, R. M. Derfling, George McAllister, and Frank Stermel, all of Chicago, and Mike Lundford of Deerfield. The canvas covering on the boat of Earl Carver, of LaGrange, was torn by the vandals.

Anton Knab, owner of the North Shore Resort on North Avenue, a mile west of Antioch, said that a young boy came into the resort with the cans saying he saw two others playing with the tanks and they were found in a nearby swamp.

The gas tanks and extinguishers were identified as the ones stolen from the boats.

Mrs. Maras Wins Again For Sewing

Mrs. Dan Maras, of Antioch, a member of the Ridgfield Grange 1928, has won the county and district judging in the National Grange 1969 Cotton Sewing competition.

Mrs. Maras' winning effort was in Class C—Sewing for a child under 18.

The garment is made of 100 per cent cotton and is a two-piece ensemble—a dress and reversible coat of navy blue double breasted on one side and red, white and blue striped on the other side. The dress combined both fabrics.

The garment will be modeled by Jeannie Lindgren, 6, daughter of Mr. and Mrs. Harry Lindgren of Antioch, at the state judging Sunday.

If the outfit is chosen a winner it will go to the national judging in New York.

Mrs. Maras won the state title in the adult Division in 1967.

Center Resumes Service

The Lake County Mental Health Center has resumed service to county residents in its branch offices in Antioch and Libertyville on a one day a week basis, according to T. N. Davis, III, M.D., newly appointed Center Medical Director, and the Rev. Delbert Schrag, Mundelein, chairman of the Center's Management Committee. Branch services had been temporarily interrupted because of an acute staff shortage.

The Antioch office at 385 Lake Street serves residents of north-west Lake County as well as the Antioch community. Southwest Lake County residents may be served at 253 Harrison Street, Libertyville. Hours in both offices are by appointment only, and all requests for service should be made through the Center's Waukegan office at 201 Lib.

County Bond Drive Hits \$814,966

The cash value of savings bonds and Freedom Shares outstanding as of the end of March was \$814,966—an all-time high.

Lake county residents purchased a total of \$814,966 in savings bonds and Freedom Shares in March, according to Richard F. Kennedy and Richard D. Newland, Waukegan, general county co-chairmen of the savings bonds committee.

Sales in the state of Illinois were \$26,438,304 in March, according to Clarence S. Sochowski, state director of the Treasury's savings bond division. The national total was \$381,000,000 and Illinois sales represented 6.9 per cent of this amount.

Dr. Davis brings to his new position considerable experience in mental health clinics, having served at the Mental Health Center, Chicago; the Lake County (Indiana) Mental Health Clinic, Gary; and Mandel Clinic of Michael Reese Hospital, Chicago. His most recent assignment before joining the Lake County Health Center staff in September 1968 was as medical director of the Stickney Township Mental Health Clinic in Oak Lawn, Illinois.

From 1958 to 1962 he was clinical assistant professor of psychiatry at the University of Illinois College of Medicine and has spent a number of years engaged in the private practice of psychiatry.

Dr. Davis is a graduate of the University of Virginia and received his medical degree from that University's Department of Medicine in 1944. He served as a resident in psychiatry at the Massillon, Ohio, and Elgin, Illinois, state hospitals. In 1954-55 he was a Fellow in Child Psychiatry at the Institute for Juvenile Research in Chicago.

He is eligible for certification by the American Board of Psychiatry and Neurology and a member of the American Psychiatric Association, the American Orthopsychiatric Association, the American Medical Association and the Lake County Medical Society.

Dr. Davis and his wife, Isabelle, who is a psychiatric social worker with Family Service of South Lake County, make their home near Lake Zurich.

The Mental Health Center was established by the Lake County Mental Health Society, Inc., in 1957, and has provided psychiatric diagnostic and treatment services to county residents since that time. It is supported by United Funds, individual and organization membership contributions to the Lake County Mental Health Society, a contract with the Lake County Health Department, patient fees and a grant-in-aid from the Illinois Department of Mental Health. Fees are on a sliding scale, according to family income, and no one is denied service because of inability to pay.

Current officers of the Society are Robert P. Barrall, Ph.D., Waukegan, president; Mrs. M. E. Amstutz, Libertyville, first vice president; Mrs. Edmund F. Vos, Antioch, second vice-president; the Rev. Herbert J. Armstrong, Lake Zurich, secretary, and Mr. Francis W. Heinlen, Waukegan, treasurer.

He will receive a full military funeral with a Mass at St. Peter's Church in Antioch. Interment will be in Mt. Carmel Cemetery at Antioch. Friends may call at the Strang Funeral Home in Antioch.

New Measure May Save \$7 Million

Ray Page, Illinois Superintendent of Public Instruction, today said that a new transportation formula for Illinois school will save local school districts more than 7 million dollars a year if House Bill 1194 is approved by the Illinois General Assembly.

Page said that the formula will increase state aid for transportation of pupils to and from school from ten million to 17 million dollars a year. This would allow local districts to use more than 7 million dollars (transferred from the educational fund for transportation costs) for other educational purposes.

In a report Page said, "Certain weaknesses now exist in the present Transportation Formula. The present formula was enacted into law in 1957. The state reimbursement to qualifying districts is made on the basis of 50 per cent of the cost of transporting eligible pupils or by the applicable sparsity factor whichever is the smaller. With ever-increasing transportation costs due to rising enrollment, inflation, and the raising of the state specifications standards for buses, the providing of an adequate transportation system in school districts has become a financial problem."

"Under the new Transportation Formula, the amount of reimbursement to a district is computed by subtracting a qualifying amount from the cost to transport eligible pupils. Eligible pupils are those who reside one and one-half (1½) miles or more from the district's assessed valuation; using a qualifying rate of .03% for high school districts, .05% for elementary districts, and .07% for unit districts. The maximum district claim is limited to the computation by the formula or 80% of the cost to transport eligible pupils whichever is the lesser. The minimum district claim is the amount computed by the formula or \$18.00 times the number of eligible pupils whichever is the greater."

"Under the present formula for the 1967-68 school year, school districts were reimbursed \$10,066,883. The total cost of transporting eligible pupils was \$31,062,758. Therefore, the state reimbursement amounted to approximately 30% of the cost. Under the proposed new formula, school districts would be reimbursed \$17,009,608. This would represent a reimbursement of approximately 55% of the cost."

"Under the present formula, which reimburses districts for only 30% of the cost, it has been necessary for school districts statewide to transfer approximately 7½ million dollars from the Educational Fund to the Transportation Fund to meet expenditures. The new formula would eliminate the necessity of making this transfer. Therefore, districts would have more money in the Educational Fund for educational expenditures."

Page lists the strengths of the new formula as follows:

- (1) It is based on the equalization principle that provides reimbursement to districts on the basis of wealth.
- (2) It eliminates the necessity to use Educational Fund revenues for the operation of transportation.
- (3) It considers increased transportation costs because it is based upon the district expenditures to transport eligible pupils.
- (4) It increases state support for transportation from 30% to 55%.
- (5) It removes a barrier to district reorganization.
- (6) It places the maximum regular transportation reimbursement on the same level of support as the reimbursement for students in Special Education programs, and Vocational Education programs.
- (7) It replaces an outmoded formula.

Scouts Plan Campout

Dr. R. M. Adelman of Libertyville, Chairman of the Northwest District of the Evanston-North Shore Area Council, Boy Scouts of America has announced plans for the District Camp-O-Ramma to be held May 16, 17, 18 at the Lake County Fair Grounds, Grayslake.

Dr. Adelman stated that the District Camping Committee with Joe Kaar of Libertyville as Chairman and the District Activities Committee with Bernard Becker of McHenry as Chairman are cooperating in the planning and presentation of the Camp-O-Ramma.

Some 34 Boy Scout Troops from the Northwest District, which comprises most of Lake County will set up camp at the Fair Grounds on Friday, May 16. They will be joined by the Cub Packs of the District on Saturday, May 17. The units will present an action packed show and demonstration of Scout and Cub skills, which the public is urged to attend on Saturday, May 17, from 12:00 noon until 6:30 in the evening. Tickets are available from any Scout or Cub unit in the District. Sale of tickets benefits each unit, as well as Scouting in general.

Dr. Adelman went on to say that they are expecting a fine turnout of people interested in Scouting to see and participate in the activities, and also to show their support of Scouting.

The young men of the Explorer Post of the District will be on hand to direct traffic and parking of cars, and provide any emergency service needed at the Camp-O-Ramma.

The Lake County unit of the American Cancer Society will hold its 22nd annual meeting on Tuesday, May 20, at 6:30 p.m. in the Swedish Glee Club, Waukegan.

Mrs. Peggy Lipschutz, painter, illustrator and cartoonist, will speak on "The Elephant and the A.C.S." The unit will also hold its election of board members.

Antioch Man Faces 3 Traffic Charges

Three traffic charges have been lodged against Donald F. Dolinger, 41, of Rte. 173, Antioch, who is scheduled to appear in Fox Lake Magistrate's Court on May 23.

Dolinger, whose car was seen weaving back and forth on Rte. 173, was charged with driving while intoxicated, improper lane usage and driving on a suspended permit.

Ogilvie, Simon To Address IAMR Meet

Governor Richard B. Ogilvie disclosed his administration's program for providing State services for the mentally retarded on Thursday, May 8, at the 19th Annual Convention of the Illinois Association for the Mentally Retarded (IAMR).

More than 400 lay and professional leaders in the field of retardation heard the Governor address the annual luncheon of the association at 12:30 p.m. in the Hotel St. Nicholas, Springfield.

The IAMR opened its 19th Annual Convention on Wednesday, May 7, according to Mrs. June B. McNally, 6353 S. Whipple St., Chicago.

The two-day round of workshops and conference sessions focused on developments within the State Department of Mental Health and in the current 76th General Assembly which will affect and provide opportunities for the delivery of new services to the State's 320,000 retarded children and adults.

The Governor related his plans for services for the mentally retarded to the administration's proposed budget and revenue program.

Governor Ogilvie was introduced at the luncheon by John Briggs, recently named acting Director of the State Mental Health Department following the resignation of Dr. Harold Visotsky.

Coles Retire From Tavern Business

Mr. and Mrs. Harry Coles, who have operated Cole's Tavern at 911 Main St. and formerly operated Coles' Lakeview Resort at Channel Lake for 11 years, are retiring.

The Coles' who plan to stay in Antioch but will do some traveling, sold their business to Edward Proszk of Chicago, who is living at Bluff Lake.

Charles M. Tuley To Receive Degree

Charles M. Tuley, of Antioch, will receive a Juris Doctor degree on June 14 from Cleveland-Marshall Law School, Cleveland, Ohio.

Tuley, who lives with his wife, Janis, and two children at 14 Hillside Ave., Antioch, is with the Trust New Business Division of the American National Bank and Trust Company of Chicago.

A bipartisan commitment to the State mentally retarded children was sounded earlier Thursday when Lt. Gov. Paul Simon delivered the keynote address to open the convention's plenary session at 9:00 a.m. in the Hotel St. Nicholas.

Selective Service Answers Questions

Set out below are questions frequently asked of the Selective Service System along with appropriate answers.

Q: I am a freshman in college and have requested and received a II-S deferment. Must I re-submit a "Request for Undergraduate Deferment" (SSS Form 104) before I am eligible to receive a II-S deferment for my sophomore year?

A: No. Only one request is required. It authorizes your local board to grant a II-S deferment until you complete the requirements for a baccalaureate degree, fail to pursue satisfactorily a full-time course of study, or attain the twenty-fourth anniversary of the date of your birth, whichever occurs first.

Q: I am a full-time undergraduate college student. Recently I received an Order to Report for Induction and I immediately requested and received a I-S (C) deferment. How long will this deferment last?

A: You will be deferred until the end of your academic year or until you cease to satisfactorily pursue such full-time course of instruction, whichever comes first.

Q: My neighbor's son fled to Canada upon receiving his induction notice. I understand it is his intention to return to the United States when he attains age 26. Will he thus escape re-

Food Stamps Benefit 183,000 Here

More than 183,000 persons in all Illinois counties received food assistance through the U. S. Department of Agriculture's Food Stamp Program during March, according to Dennis M. Doyle, Midwest district director of Consumer Food Programs.

The total included 165,530 on public aid and 18,003 other low-income persons. Joining the program during the month were Boone, Carroll, DeKalb, DuPage, Henderson, Henry, Jo Daviess, Kendall, Lake, Lee, McHenry, Ogle, Rock Island, Stephenson, Warren, Whiteside, Winnebago and Woodford counties. This was the first month in which all 102 Illinois counties participated.

During March Illinois participants received about \$3.7 million worth of food coupons of which over \$1.2 million were bonus coupons. This is a bonus average of

requirement to serve in the Armed Forces?

A: No. He will continue to have a duty to report for induction. Your neighbor's son can be prosecuted and sent to prison for violation of the Selective Service Order to Report for Induction upon his return to the United States, regardless of his age.

THE ANTIOCH NEWS—3 THURSDAY, MAY 15, 1969

\$6.68 per person.

In 511 Midwest projects, around 801,000 persons were in the program during March. Total value of coupon was over \$15.3 million of which 33 per cent was in bonus coupons. The district bonus average was \$6.42 per person.

By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid.

Recipients spend coupons just like cash, at authorized retail food stores, for any domestic food. They cannot purchase items like household cleansers, tobacco or liquor with the coupons.

Doyle urges families not getting enough food to look into the program by contacting the local welfare office.

A gaslight turns people on.

Want to see the faces light up at your next cookout or patio party? Install an elegant new gaslight. A gaslight turns people on with a warm glow that's friendly and flattering...even kind of romantic. (Except to insects—gaslight doesn't attract them.)

And if you really want to upstage everybody, install a new gas outdoor grill at the same time. They're available in stationary or portable models. Permanent briquettes give you that wonderful, smoky, charcoal flavor without charcoal mess. It's so easy, you'll use it all year 'round. Especially with a gaslighted patio. Incidentally, a gaslight in the front yard

isn't a bad idea, either. For beauty and protection (they're always on, whether you're at home or away). Gaslights are available in many styles...from classic coachlight to sleek contemporary. See them at your dealer's. Or phone us.

Where The Boys Are

Radio man Seaman Kenneth J. Meyers, U.S.N., son of Mr. and Mrs. John Meyers of Route 2, Salem, Wis., is serving aboard the destroyer USS Noa off the coast of Vietnam.

The Noa is the command ship for Destroyer Division 142, a unit of the U. S. Seventh Fleet.

The ship is used primarily in anti-submarine warfare, operating offensively against surface ships, defending against airborne attack and providing gunfire support for amphibious assaults.

Fort Belvoir, Va.—Pvt. James E. Esteb, Rt. 4, Box 394, Antioch, son of Mr. and Mrs. Howard Esteb, was awarded the military rating of Power Generation Specialist, and received his diploma for successfully completing the Power Generation Course in the Department of Mechanical and Technical Equipment at the United States Army Engineer School.

The highly technical and concentrated course is designed to provide the Army Engineer with the knowledge and skills needed to install, maintain, and repair the various types of electrical generators used by the Corps of Engineers world-wide.

Army Sergeant George L. Warchol, son of Mrs. Loretta M. Schiffman, 3752 W. Elston Ave., Chicago, received the Army Commendation Medal April 20 while serving with the 4th Infantry Division near Pleiku, Vietnam.

Sgt. Warchol earned the award for meritorious service as a squad leader in Company A, 2nd Battalion of the division's 8th Infantry.

The Army Commendation Medal is awarded to personnel who while serving with the Army distinguish themselves by heroism, meritorious achievement or meritorious service. The medal was established by the Secretary of War on Dec. 18, 1945.

Sgt. Warchol entered the Army in June 1967, completed basic training at Ft. Leonard Wood, Mo., and was last stationed at Ft. Polk, La.

The sergeant was graduated in 1965 from Antioch High School and in 1967 from Kenosha Technical Institute, Kenosha, Wis., where he received a bachelor of arts degree.

His wife, Mary, lives on Route 3, Antioch.

Captain Brian J. Busch, Sr., son of Mr. and Mrs. Harold J. Busch, Route 2, Antioch, completed a 16-week helicopter pilot course at the Army Primary Helicopter School, Ft. Wolters, Texas, April 25.

During the course he was trained to fly Army helicopters and learned to use them in tactical maneuvers.

He will next undergo advanced flight training at Hunter Army Airfield, Ga.

Capt. Busch was last stationed in the Dominican Republic.

The 28-year-old officer was graduated from Grant Community High School in Fox Lake, in 1958 and attended Sophia University in Tokyo, Japan.

Legion Auxiliary

By Del Jahneke

The fifteenth annual Department (state) Junior Conference of the Illinois American Legion Auxiliary will be held in the hometown of the State President, Mrs. James T. Phelan, in Lincoln, on Saturday, May 17th. The Auditorium of the Community High School will ring with the morning music competition of Junior Choral groups, starting at 9 a.m.

The Shorvin Unit Juniors of North Chicago, under the direction of Mrs. Normal Holt, have been asked to sing a special selection of songs.

Mrs. Richard Stasny, Mundelein, and Mrs. George Shamblin, Round Lake, district chairman and co-chairman, respectively, of Junior Activities, will head a delegation of some 40 junior and 10 senior members, to this conference.

Membership as a Junior member of the American Legion Auxiliary is limited to eligible young girls under 18 years. According to Mrs. Bernard Stadick, unit Junior Activities Chairman, the Antioch Unit has 15 Juniors enrolled in their membership.

Special projects, this year, have included collecting toys for children in state schools for the handicapped and fund-raising in support of the "For America Seminar" project at Freedom's Foundation in Valley Forge, Pa. One scholarship for a teacher to attend this seminar, amounting to \$425, has been pledged by the Juniors throughout the state.

With the Conference just in advance of Poppy Days, there should be much enthusiasm and interest in the Poppy Hats and centerpieces of original design, displayed for competition.

After luncheon served at the school, there will be prizes awarded for the best Americanism scrapbook; best Publicity Press Book; best dressed doll in native dress and best scrapbook for Malaysia in the Foreign Relations program.

Nearly 900 Juniors and senior members will be present at this state Junior Conference.

The 10th District American Legion and Auxiliary will sponsor their yearly picnic for approximately 150 children from the Arden Shore Home, the Lake Villa Central Baptist Children's Home; and the Allendale School for Boys, on Sunday, May 18th, at the Lake Region's American Legion Home at Fox Lake, at 11:30 a.m.

District Child Welfare Chairman is John Jones, North Chicago, and co-chairman is Mrs. Ted Odum, Libertyville.

Hamburgers, hot dogs, pop, ice cream, etc., are some of the items on the picnic menu. Games, contests with prizes, and boat rides on Fox Lake, are all on the agenda to provide a happy occasion for these children.

All Lake County American Legion Posts and Units contribute to make this picnic a resounding success. Mrs. Walter Hills, unit child welfare chairman, states that the Antioch Legion Auxiliary always does their share in the various phases of the child welfare program.

The Antioch American Legion Auxiliary No. 748 held their Gold Star Party meeting on May 9th, at the Antioch Legion Home. In the absence of the President, Mrs. Bernard Stadick, 2nd vice president, Mrs. Bernard De Vries conducted the meeting.

Mrs. Ray Rathmann was appointed chairman of the Nominating Committee, with Mrs. Joseph Horton, Mrs. Walter Hills, Mrs. Lester Zikus and Mrs. John L. Horan, Sr., elected as the other four members.

There was a "Draping of the Charter" in memory of Mrs. Ben Miller, who died several weeks ago. Mrs. F. A. Swenson, chaplain, and Mrs. Rathmann performed the ceremony.

Due to illness, only two of the Gold Star Members were able to be present—Mrs. Myra Randall, Gold Star Mother, and Mrs. Scott Birdsell, Gold Star Sister. All Gold Star members received lovely gifts from the Auxiliary at this time. The tables were decorated with fragrant spring flowers and colorful accessories.

Mrs. Joseph Horton, Illinois Girl's State Chairman, announced the name of the Girl Stater to attend this year's Girl's State, to be held at MacMurray College in June. She is Charmaine Daniel, the daughter of the Richard Daniels of Antioch. Since Charmaine plans to be an attorney, the educational study of government in actual practice of Girl's State, should prove highly beneficial to her intended career.

Delicious refreshments were served and card games were played after the meeting.

CHRISTIAN SCIENCE CHURCHES

"Mortals and Immortals" is the subject of this week's Bible Lesson-Sermon to be heard Sunday in all Christian Science churches. "In the way of righteousness is life; and in the pathway thereof is no death." This verse from Proverbs 12 is the Golden Text.

A related passage in the lesson, from Science and Health with Key to the Scriptures by Mary Baker Eddy, states: "Mortals are not like 'immortals, created in God's own image; but infinite Spirit being all, mortal consciousness will at last yield to the scientific fact and disappear, and the real sense of being, perfect and forever intact, will appear."

All are welcome at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch. Services begin at 11 A.M.

Kathleen Schimmel Weds Don Herrmann

Miss Kathleen Schimmel, of Arlington Heights, became the bride March 29 of Donald Herrmann of Rolling Meadows in ceremonies at the First United Methodist Church of Arlington Heights, with the Rev. C. Edward Mixon uniting the couple.

The bride chose a gown of silk organza over taffeta, scooped neckline with long sleeves, in the empire A-line fashion. It featured a re-embroidered Alencon lace motif accented by pearls and crystal beading, a full circle detachable train with lace motif at the lower edge. She wore a veil-forward headpiece of lace petal outlined with pearls and adorned with loops of crystal beading with the veiling of silk illusion. She carried a cascade of French carnations, stephanotis centered with a white orchid.

She was attended by Mrs. Joyce Carpenter, her sister, as matron of honor and bridesmaids included Miss Peggy Ogle, Mrs. Mary Warchol, Mrs. Rene Froehlich and Miss Crago Cook.

Matron of honor and bridesmaids chose Aqua Saki gowns with scooped neck, elbow sleeves with wide ruffles overlaid with Venice lace, of empire length accented with tiny bows. They featured an A-line skirt given added fullness in the back by gathered panels. They carried French carnations interspersed with yellow Garnette roses.

Attending the groom were Richard Herrmann, his brother, as best man, and ushers included Larry and Ron Herrmann, brothers, Mike Turcotte and Jon Huth.

A dinner reception was held at the Arlington Carousal after which the couple left for a honeymoon in San Francisco.

They are presently at home at 2052 Prentiss Drive, Downers Grove where the bride will be a speech correctionist in the fall. Her new husband is a senior at Illinois State University.

The bride attended Antioch Grade School and Antioch High School for two years.

The bride is the daughter of Mr. and Mrs. Xavier E. Schimmel, of Arlington Heights, and the groom is the son of Mr. and Mrs. Edwin Herrmann of Rolling Meadows.

Martha Circle To Hear Of Baha'i Faith

Mrs. Glenn C. Petersen, of Twin Lakes, Wis., will speak to the Martha Circle of the Antioch Methodist Church on the Baha'i Faith on Wednesday, May 21, at noon at the residence of Mrs. Roy Kufalk.

Mrs. Petersen has been a Baha'i for 20 years and has taught children and adult classes for the past 14 years.

There are millions of Baha'is in over 300 countries and territories who have come from every religious background.

The faith revolves around three basic principles, the oneness of God, of religion, and of mankind.

GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law.

Citizenship means wholehearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement.

(Name of agency or project) benefits your community and—directly or indirectly—benefits you and yours. And your help is appreciated, needed and deserved.

Help, won't you?

What's new, coffee cup? A kitchen counter that cooks. Electrically, of course.

On the level. A sleek stretch of tempered ceramic is the newest electric range. Only its temperature dials give it away.

It looks like a counter, but it cooks like a range. So where is the heat? Under the tempered ceramic surface. That's its marvelous advantage. Comes clean-up time, all it takes is once-over lightly with a sponge.

First the oven that cleans itself. Now, a counter that cooks, and keeps cleaning simple. Where do these great ideas come from? Where else?

Fr. Henderson Announces Mission

The Rev. Edward J. Gleason of the Paulist Mission Band will conduct a mission opening May 19, and closing May 22, at St. Peter's church.

The Reverend Alfred J. Henderson, pastor of St. Peter's Church is sponsoring the mission.

Fr. Alfred J. Henderson

Rev. Alfred J. Henderson, S.T.L. It is the wish of Father Henderson that every Catholic in the parish attend the mission and all others who are interested in the teaching and practices of the Roman Catholic Church are invited.

A mission is a course of spiritual exercises conducted by especially trained missionaries. During these exercises, prayerful consideration is given to the great truths of eternity, to the duties and obligations of those who the Church says would be followers of Christ.

The object of the mission, according to Father Henderson, is to help the fervent become more fervent, to bring souls back to God, to help the weak, to raise the fallen, to convert the sinner—in a word, to strengthen all in virtue and bring upon all the blessings of God. Above all, a mission is for those who are satisfied with themselves.

The services will commence at 7:45 p.m. Monday, May 19. The daily mission Masses will be at 6:30 a.m. and 8:00 a.m. in the Church. A short mission instruction will be given after the mission Masses.

Confessions will be heard every evening after the Mission Services; in the morning after the mission Masses; afternoon as needed.

Lakeside Rebekah Lodge No. 82

No. 82
By Del Jahneke
At a recent meeting of the Lakeside Rebekah Lodge No. 82, held in the Antioch American Legion Home, the Charter was draped in memory of Mrs. Ben Miller. Mrs. Walter Buchert, Noble Grand, conducted the meeting. Preparations were discussed for the May 8th Luncheon Salad Bar Card Party, which proved to be a successful affair. Mrs. Arland Clark was the hostess for this meeting.

Mrs. Buchert, Mrs. Clarence Larson, Mrs. Charles Ferris, and Mrs. John Hagen attended the Friend's Night program at the Waukegan Rebekah Lodge, on May 9th.

The next regular scheduled meeting of the Lakeside Rebekah Lodge, will be held on May 21st, at 8:00 p.m. at the Antioch Legion Home. A Memorial service will be held, in commemoration of all the deceased members, and the war dead. The hostess chairman will be Mrs. Buchert.

Legion Historians Meet Here May 18

An invitation was extended by John L. Horan, Assistant Department Historian, Antioch, to the Illinois American Legion Historians' Association to hold their annual summer meeting at Antioch on Sunday, May 18th.

Attending the meeting of Historians will be representatives from the various Legion Posts of Northern Illinois who will gather for the meeting at the Lorenz's Smart Country House at 2:00 p.m.

A short business session will take place followed by the annual election of officers, all of whom will be installed in Chicago during the Illinois American Legion Convention, July 22 to 27, 1969, at the Palmer House.

With the usual business out of the way, the assembly will enjoy a talk by Robert Sabonjian, Mayor of Waukegan and also a veteran.

A smorgasbord meal will be served at the close of the meeting.

Social Notes

By Del Jahneke

The Walter Millers of Channel Lake, accompanied by Mrs. Anna Tryon, Mrs. Miller's mother, have just returned from a fabulous, fun-filled ten day vacation trek to Miami, Florida; and the Bahama Islands. They first visited Miami, spending five days there, then flew to Nassau, capital of the Bahamas. While there, they decided to tempt Lady Luck at the Paradise Casino, "all's mum" on what fortunes were won or lost, but they did see Dean Martin at this place. Loretta Miller commented on the emerald clear waters and the pure white sand beaches surrounding the island, that even standing neck-deep in the warm water, one could easily see the whorls and patterns created by the waves, on the sandy ocean floor. The Straw Market was also on their agenda, where everything conceivable is hand woven from straw, while you wait. Many straw purchases were made, straw dolls for the grandchildren one of the main items. The threesome enjoyed the deliciously exotic food, and took several sight-seeing tours through the island. The huge, beautiful and brilliantly hued variety of flowers, towering floral bushes and trees, form a lovely, fragrant background for the magnificently preserved, centuries old plantations and government buildings. The Millers and Mrs. Tryon's only regret was that the time passed too quickly on this wonderful vacation.

Mrs. Walter Buchert and son had as their guest Mrs. Frank Kennedy for dinner at Lorenz's Smart Country House, on Sunday, May 11th.

Anna Stanek Art Work On Display

Miss Anna Stanek, Route 1, Grass Lake Rd., Antioch, a member of the freshmen class, has art work on display in a current exhibit at National College of Education, Evanston-Wilmette, Ill.

Included in the showing are works in watercolor, ink, and oil, as well as those using clay, plaster, mosaic, wood, and metal. All are representative of the various art classes at National College, as well as the program of Fine Arts Participation, an unusual part of the curriculum which requires every student to try out his own creative ability in various areas.

The oldest private college for elementary school teachers, National College of Education offers a program of liberal arts in teacher education, awarding the bachelor of arts degree in the Undergraduate School and the master of education in the Graduate School. The curriculum includes a strong program of work with children throughout the four-year undergraduate course, including student teaching in the junior and senior years. A complete Demonstration School, nursery and kindergarten through eighth grade, is on campus.

Public Aid Continues To Increase

Illinois public aid rolls reached \$22,986 in February, 6,381 more than the previous month and 50,319 higher than a year ago.

Public Aid Director Harold O. Swank said increases in the aid to dependent children and disability assistance programs more than offset decreases in old age assistance, blind assistance and general assistance.

Total February expenditures were \$42,293,208, an increase of \$2,139,070 over January and \$4,910,993 over February 1968. The latest expenditures include \$561,828 for foster care, assistance to the medically indigent in Chicago and Cicero and burials. They also include \$1,786,522 to the Department of Mental Health for needy, aged patients in state hospitals.

The February caseload included 400,206 persons on assistance to the aged, blind or disabled and aid to dependent children receiving money grants and eligible for medical care; 58,644 eligible for medical assistance only, and 74,136 on general assistance. Respective figures for January were 392,990, 57,755 and 75,800; for February 1968, 357,930, 50,928 and 73,800.

The 58,644 persons eligible for medical assistance only, up 809 over January, are included in the trends of the individual programs which follow. The February cost was \$6,932,057.

The aid to dependent children program served 349,360 persons in February, an increase of 7,745 over January and 44,795 over February 1968. Expenditures were \$21,129,959 in February, an average of \$60.48 per person, \$20,173,365 in January and \$18,165,699 in February 1968.

Old age assistance served 63,481 persons, 156 fewer than in January and 212 less than a year ago. Expenditures in February were \$8,065,687, an average of \$127.37, \$7,747,957 in January and \$8,069,115 in February 1968.

Blind assistance numbered 1,999 persons in February, down 11 from the previous month and 106 less than a year ago. Expenditures were \$235,991 in February, an average of \$118.05 per person, \$240,748 in January and \$258,968 a year ago.

Yuska Qualifies For State Meet

The Sequit track team took part in the state district meet at Forest View High School Saturday, May 10th. The weather conditions were very poor, but some of the performances turned in by the Sequits were very good.

In the 100 yard dash, Paul Yuska took a second place with a 10.0 time to qualify for the state meet. The state meet will be May 16 and 17.

The 10.00 flat mark again tied the school record for Paul. This continues the string of consecutive years the track team has qualified a young man to the state meet.

The string is, for six years, the start was with Tom Moran in

1964. The last young man to place in the state for Antioch was Ken Truelsen in 1960 in the low hurdles, a third place finish.

Rick Nelson, setting a new school record in the pole vault, with a vault of 12' 2" placed 3rd in the district meet. Nelson missed a chance to qualify for the state by 4 inches or one miss.

The boy that placed second vaulted 12' 4" too, but had one less miss than Rick, thus was awarded second place and the right to go to state.

Since Coach Andrews took over the track program eight years

ago, the school has sent 9 young men to the state meet 7 of 8 years. Those that have qualified in the past are:

1962-Dione Rathbone, 880 yard run

1962-Mile Relay Team, Tom Tantlinger, Roy Pedersen, Rick Fowles, Dione Rathbone.

1964-Tom Morgan, 100 yd. dash

1965-Tom Morgan, 100 and 220 yard dash

1966-Tyrone Walls, shot put

1967-Wayne Hanson, shot put

1968-Bill Nader, discus

1969-Paul Yuska, 100 yd. dash

Ten Lap Event At Waukegan

The quarter mile Waukegan Speedway asphalt oval will host the area's first 100 lap event of the year Saturday night, May 24 with many of the top area late model super stock stars slated for action. A full card of events will accompany the long distance championship run.

The Waukegan track is located 1/2 mile east of Rt. 41 on Washington Street near the City of Waukegan. Gates open at 6:30 for both the Saturday and Sunday night races with time trials at 7:15 and the first race at 8 p.m. Hobby stock racing is also included on the card.

In the past years the Speedway had a clay surface and the 100 lap races were not run due to the extreme punishment the track would suffer from the powerful cars. This year the super stocks are even more powerful, but the track is equal to the challenge.

A field of over 20 cars will start the event which is expected to be a non-stop run. Leading the contenders for the Grand Car Wash trophy which is to be presented by ex-driving champion Bill Lutz will be Erik Johnson and Ray Young. Both are having banner seasons at the Waukegan oval and both have years of experience in the long distance races.

In the event the race has to be cancelled on May 24th due to weather, the 100 lap race will be moved to the following Saturday, May 31. Waukegan Speedway has a 24 hour answering service at 662-8200 which will carry the latest news in case of threatening weather.

Thinclads Beat Round Lake

Antioch thinclads whipped Round Lake but lost out to Libertyville in a three-way meet May 5 running their conference record for the young season 3 to 1.

Antioch scored first in the 2 mile, 100 yard dash, 880 yard dash, 220 yard dash, and pole vault. Paul Yuska scored two wins and Rick Nelson in the pole vault. Other winners included Chuck Denman and Bob Osmond.

Final standings showed Libertyville with 78 points, Antioch, 47, and Round Lake, 32.

In the Fresh-Soph competition Libertyville again was the winner with 70 points, trailed by Antioch with 65 and Round Lake with 24.

Antioch took six firsts in that meet.

All Breed Dog Show On May 31

The Fox River Valley Kennel Club, Inc., will hold its annual All-Breed dog show and obedience trials Saturday, May 31st, at the Kane County Fairgrounds, Randall Road, south of North Avenue in St. Charles.

Approximately 2,000 pure-bred dogs from United States and Canada will be shown. Spectators will see dogs from the top blood lines in the country. Hounds, Terriers, Retrievers, hunting dogs for the sportsmen, rare breeds, dogs to fill anyone's requirements will be represented.

Junior showmanship competition will be held in the afternoon. Show hours are from 8 a.m. to approximately 9 p.m. Refreshments will be available on the premises.

Admission is \$1.00 for adults and 50c for children under 12. There will ample parking facilities. The entire family can enjoy a memorable day.

Waukegan Races Are Carbon Copy

It was a carbon copy of the previous Sunday's races at the Waukegan Speedway Sunday night, as veteran Bud Koehler beat Ray Young to the feature finish by a scant ear length. Dennis held the lead until the seventeenth lap and wound up third.

Bob Carpenter of Villa Park led the first three laps of the non-stop event before Burgan of Old Mill Creek powered into the lead. Burgan never could open up too much of a lead, but ran strong the entire race. Bob Anzinger of Antioch held second spot until the tenth lap when Koehler of Blue Island and Young of Chicago whizzed by.

Koehler closed the gap on Burgan and seven laps later shot into to lead with Young hot on his tail. Young shadowed Koehler for the remaining laps, never dropping more than 10 feet behind Koehler's rear bumper until the checkered flag.

A spirited race for third money developed between Burgan and Ray Freeman of Crete in the closing laps. Burgan won that duel by a ear length. Anzinger finished fifth. Earlier in the trophy dash, Freeman won his first race of the year at the Waukegan track in an exciting photo finish over Koehler.

About ten U.A.R.A. midgets showed up for a practice session at the track Sunday night in preparation for their events at the Waukegan track Friday, May 16 under the lights. A special sprint race was run for these cars and Jim Cates of Plainfield bested John Dearing of Elgin and Denny Cullick of Joliet.

Feature, 30 laps-Bud Koehler, Blue Island; Ray Young, Chicago; Dennis Burgan, Old Mill Creek; Ray Freeman, Crete; Bob Anzinger, Antioch; Bob Carpenter, Villa Park; Marty Boachner, Chicago; Mill McEnery, Chicago; Bob Delaney, Roselle; Rich Sundling, Chicago.

Semi-Feature - Roger Hagl, Lake Villa; Delain Doles, Kenosha; Bill Owens, Sr., Antioch; Roy Hansen, Racine; Jerry Learsch, Zion.

Hobby Stock Feature - Tom Reuss, Round Lake; Jim Couch, Grayslake; Charles Belcher, Park City; Joe Miller, Waukegan; Homer Scott, Zion.

Salem Wins Twice In Baseball

The Salem Falcons behind the fine pitching of Dennis Ciskowski and the hitting of Gary Glover, Bob Greenstreet and Don Baysinger downed Trevor, 9-3.

Salem took a three run lead in the third on two hits and three walks. The big hit was a bases loaded double by shortstop Gary Glover. Trevor battled back with three runs of their own in the bottom of the fourth.

The Falcons took the lead for good in the fifth on three hits and a walk, the big blow was a triple by Bob Greenstreet. The Falcons added 3 insurance runs in the last two innings.

Salem Consolidated notched its third win of the season, with a 17 to 8 victory over Paris in a rain shortened game.

The Falcons jumped to a quick lead as they scored four runs in the first frame on five hits and a walk.

Paris scored three in the second but Salem put the game out of reach as they exploded for eight runs in the second and two more in the third. Pacing the attack for Salem was Tony Iacucci and Bob Greenstreet with four hits and Ken Plants with three hits.

Nights of racing on Waukegan's new asphalt oval has been extremely close. Ray Young of Chicago is the only driver to win two features and Ray Freeman of Crete is the only driver to set fast time twice.

It's easy to place a classified-Just dial 395-4111.

Antioch Nine Lose, Win

The Antioch High School baseball nine lost to Lake Forest by a score of 2 to 1 here recently but in the district game at Grayslake the local nine eked out a 1 to 0 victory.

In the Lake Forest game the visitors scored two runs in the 7th while Antioch was only able to bring one run home in the 4th.

The winning pitcher was Henzel and the loser was Wells.

In the Grayslake game Antioch scored its lone run in the third inning when with one out Camp singled and went to second and third on outs and came home on John Meyer's single.

The winning pitcher was Ralph Zancik who limited Grayslake to 2 hits and the losing pitcher was Jim Sorenson.

Midget Racing Starts Friday At Waukegan Speedway

The Waukegan Speedway will host the grand opening of the United Auto Racing Association midget auto racing season on Friday night, May 16. Besides being the first race of the season for the U.A.R.A. midgets, these will be the first midget races on the Waukegan oval in over a decade and also the first ever on the new asphalt surface.

Frank Papan of Lemont is president of the U.A.R.A. which will sanction the midget races this Friday and Memorial Day Friday under the lights. Papan recently reviewed the quarter mile semi-banked speedway and forecast lap times in the 13 second bracket. The present late model super stock record is :14.83.

Leading the entries will be Dick Pole of Harvey. Pole is a relative newcomer to the midget ranks, but his aggressive driving and daring style have put him among the front runners.

Grandfather John "Panche" Padilla was one of Pole's closest contenders last year and is a real favorite with the fans. Originally from Mexico and now residing in Joliet, Padilla has been a U.A.R.A. member for 14 years. Other favorites are Bill Krueger

KK Hosts USAC 200 Lap Race

3-Day Meet Set at Dragaway

The first 3 day meet of the year will take place Friday, Saturday and Sunday at the Great Lakes Dragaway.

A different race program has been scheduled for each day with the supercharged nitro fuel funny cars slated for Friday night at 8:30.

These are stock appearing cars that are powered by 1500 hp supercharged nitro burning engines. Their speeds range from 180 to 200 mph in less than eight seconds. This will be their first appearance of 1969 at the Union Grove dragstrip, and a crack field is already assured.

Already entered are Don Schumacher, "Stardust" Charger; Ed Schartman, 69 Cougar "Air Lift Rattler," Pete Seaton, "Super Shaker," Corvair; Roger Lindamood, "Color Be Gone" Charger; Arnie Beswick, 69 Firebird; Austin Coil, "Chi-Town Hustler," "Jungle" Jim Liberman, 69 Chevrolet; Gary Dyer, "Mr. Norms Mini Charger," Dick Locher, "Chapman Automotive" Mach 1, and Bernie Adams, "Super Huger" Camaro. Schumacher, Coil and Gary Dyer are from Chicago, Schartman from Cleveland, Lindamood, Seaton and Laer are from Detroit, Liberman from Los Angeles, Beswick from Morrison, Ill., and Adams from Milwaukee.

Saturday night at 8:30, the unlimited, light weight, aluminum and fiberglass "factory experimental super stocks" headlined the races.

Sunday the racing gets underway at 2 p.m. with the 220 mph, supercharged nitro fuel dragsters in the feature races. Dave Powers, of Dubuque, Iowa the man who set a track record of 6.83 seconds last month heads another strong lineup, Lee Austin & Lou Novelli of Chicago, Jerry Bolde-nov of Minneapolis, Ray Fletcher of Moline, Del Fisher and Fred Welchman of Milwaukee are other top entries.

The dragstrip is located 20 miles south of Milwaukee, at Union Grove, Wis.

Plan Open House For Sunday

All friends of 4-H and the Adult Extension Service are invited to attend the open house for the new 4-H and Adult Extension Service Building Sunday afternoon, May 18, between the hours of 2:00 and 5:00 p.m.

The new Cooperative Extension Service headquarters are located on the Lake County Fair Grounds on Route 45 about one-half mile north of Rte. 120.

Members of the Agricultural and Home Economics Extension Council, which planned the Open House event, will be on hand to greet the visitors and show them the new building which provides space for the Cooperative Extension Service staff, secretaries, extensive Agricultural and Home Economics libraries, publications, storeroom and distribution center, communication facilities, conference and meeting areas.

The new building serves as headquarters for planning and administering the Cooperative Extension program which is an educational arm of the University of Illinois designed to serve the rural and urban families of Lake County. Previous to moving into the new building the Extension Service offices were located in the Farm Bureau Building. Because of the additional space required by both the Farm Bureau and its affiliates and the Cooperative Extension Service, an Extension Building Association was formed to plan and build separate headquarters to house the Extension Service offices.

The building was financed with funds borrowed by the Building Association and by contributions from business institutions, Homemakers Extension units, individuals, friends of 4-H and Extension. More than \$25,000 was given to the Building Association by 4-H club members and 4-H club leaders realized from sales of candy the past three years.

The new building, which is 40 by 88 feet, is of colonial type architecture, finished on the outside with red brick veneer. Nels Quist and Son of Gages Lake was the general contractor. Thomas Bleck of Bleck & Bleck architectural firm of Waukegan was the architect.

800 Bell Telephone Employees To Meet

Telephone topics may well take second place to community involvement when over 800 Illinois Bell Telephone men and women meet May 16-17, at the O'Hare Inn in Des Plaines. They are delegates and members of the Theodore N. Vail Chapter of the Telephone Pioneers of America, the world's largest association of industrial employees with a national membership of over 250,000.

To belong to the organization a telephone employee must have 21 years' service with the industry. Vail Chapter covers most of Illinois and a small portion of northwestern Indiana, and numbers over 20,000 members.

Theme of the meeting, which opens at 9 a.m. Friday, is to increase interest and involvement of new members in community affairs, charitable organizations, and the many other activities of Telephone Pioneers.

According to Mrs. Joyce B. Laird, of 1925 N. Jackson St., in Waukegan, one of the meeting's committee chairwomen, the organization serves a two-fold purpose. "We try to be a service organization as well as a social one," she said. "Helping one another, and also helping the sick, the handicapped, and the disadvantaged people in the community has long been a Pioneer tradition."

One of the meeting highlights will be live exhibits of some of the group's service activities, which currently range from tutoring youngsters to repairing talking book machines and preparing braille reading material for the blind.

The meeting closes Saturday evening with a banquet and dinner dance.

PM&L Auditions

Set For May 16, 17

Auditions for PM&L's summer musical comedy "A Funny Thing Happened on the Way to the Forum", will be held on Friday and Saturday, May 16 and 17 at 8:00 p.m. at the PM&L Theatre, 877 Main St., Antioch.

Ken Smouse is directing this "hellzapoppin'" musical which will be given on July 25 and 26 and August 1 and 2. Anyone interested in being in the production who can't report those nights should phone Ken Smouse, 395-1333.

Residents To Be Asked About Jobs

Questions about second jobs and overtime work and pay will be asked in households of this area by Census Bureau interviewers May 19-24. Director Theodore F. Olson of the Bureau's regional office in Chicago announces.

Answers obtained will be used by the U. S. Department of Labor to estimate the number of people throughout the Nation with second jobs, how long they work, how much they earn, why they take second jobs, and the kinds of work they do. Persons working overtime will be asked whether they receive premium pay for their overtime work. These questions supplement the monthly queries about employment status that determine national employment and unemployment figures.

Questions about participation in adult education also will be included in the interviews to provide data for use by the U. S. Department of Health, Education and Welfare (HEW) in determining the need for and the availability of adult education courses throughout the U. S.

Households to be visited here are part of a national sample of all U. S. households. Facts obtained about individuals are confidential, and the data will be used for statistical purposes only.

Antioch GOP To Discuss Golf Outing

The Antioch Township Republican Club will meet Wednesday, May 21, at Johnson's Deep Lake Resort, beginning at 8 p.m.

The main business on the agenda will be the coming annual golf and dinner party to be held June 11 at the Brae Loch Country Club.

Additional Winner

In last week's story on the prep tournament the name of Ray Baczynski was inadvertently left out of the winners.

Ray bowled a 184 game and had 100 pins over his average.

Kathy Lessard Is 'Ideal Girl'

Kathy Lessard, daughter of Mr. and Mrs. Harry Lessard, Antioch, has been named Ideal Girl of Alpha Omicron Pi, social sorority at Wisconsin State University, Whitewater.

Miss Lessard was selected as Ideal Girl by the other members of the sorority. The purpose of this award is to honor that girl who has given the sorority a great service the past year.

Miss Lessard did her service by being corresponding secretary during the past year. She was presented with a dozen roses at the AOPI Spring Formal.

Journalism Award To Keith Peterson

Keith Peterson, Antioch High School senior who will be a freshman at Northern Illinois University next fall was given a journalism department scholarship award by NIU at its Communications Banquet held May 9.

The awards are given to outstanding journalism students.

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

Did it ever occur to you just how long it takes to get around a car going in the same direction you are going?

At 50 miles an hour, for example, you wish to pass a car going 40 miles an hour, your car will have to travel 1,200 feet. That's nearly a quarter of a mile!

This is an important maneuver in driving. You do it almost unconsciously. You rarely get behind the wheel to drive any distance that you are not required to pass another auto during the course of the trip.

A simple miscalculation in a common passing maneuver can result in trouble for you, the car you're passing and oncoming traffic.

It behooves every driver to think before starting such a maneuver. Did you check road conditions ahead and behind, using the rearview mirror, side mirror and an over-the-shoulder glance to be sure what cars around you are doing? And did you use your turn signal to indicate your intention to change lanes? This is the law now.

It's the little things that save lives. Know your "Rules of the Road" . . . order your free copy, write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

4-Hers Get Ready For State Contest

Jean Slater from the Busy Beavers 4-H Club of Cary, and the team of Laurie Stavetig and Mary Boyer of the Lincoln Clover-leaves in McHenry will represent McHenry County in the State Demonstration Contest at the State Fair. These two entries, along with the other demonstrations, recently entertained an audience at the Annual McHenry County Demonstration Contest.

At the Demonstration event each participant learned that there is an art to presenting a good demonstration. This is very important because, in today's fast moving world, every person must learn to put words into "action." An effective demonstration is perhaps the best way

1 envelope (1 1/2 oz.) mushroom soup mix
1/2 cup white cooking wine or milk, as desired

Sauté rice, peanuts, celery and onion in butter until onion is transparent. Add water and bring to boil. Cover. Remove from heat. Let stand 10 minutes. Spread 2 heaping tablespoonsful of rice mixture on one end of each ham slice. Roll up and place rolls, seam side down, in shallow 2-quart casserole. Combine milk and soup mix; cook, stirring constantly, until mixture comes to a boil. Stir in wine or additional milk, as desired. Pour over ham rolls. Bake in hot oven, 425°, 15 to 20 minutes or until hot and lightly browned. Makes 4 servings.

Hidden Jewel—Raspberry Jam!

When raspberry jam smuggles between rich sugar cookies and moist, tender cake, the result is a jewel of a recipe. Ming Toy Cupcakes look inviting and taste just heavenly!

Bake them in less than 30 minutes, mix them faster than it takes to heat the oven and invite them to an impromptu party. You'll have all ingredients on hand—they're all convenience foods, versatile, packaged staples that combine for endless variety and delight. Refrigerated cookies and, packaged cake mix are partners in these delectable cupcakes.

The third member of the trio, glistening raspberry jam, stars in the center, hidden from immediate view but detected at first marvelous bite!

Ming Toy Cupcakes

1 roll refrigerated sugar cookies
1 cup raspberry jam
1 (8 or 9-ounce) package white or yellow cake mix

Slice cookie dough into half-inch slices; press and pat a slice into each of 20 (2 1/2 inch) muffin cups. Spoon 2 teaspoons jam into each cookie-lined muffin cup.

Prepare cake mix according to package directions. Spoon 1 heaping tablespoon of cake batter over jam in each muffin cup. Bake in 350 degree oven for 25 minutes. Allow cupcakes to cool for 10 minutes and remove from pans. Makes 20 cupcakes.
